News Release

AgencyWorks Announces Integration with APS Copy & Imaging Solutions

Salt Lake City, UT – July 17, 2007. APS Copy & Imaging Solutions is the newest vendor to be added to Agency Integrator for electronic APS ordering. Ordering medical records through Agency Integrator has long been a valuable resource for the 300+ customers that uses the AgencyWorks suite of agency management solutions. This new integration provides yet another avenue for AgencyWorks customers to efficiently manage their new business.

“We are pleased to begin integrating with APS Copy and Imaging Solutions,” said Erin Anders, Vice President of Sales and Marketing at AgencyWorks. “We are always looking for innovative vendors and industry leaders to integrate with our agency management solutions. APS Copy and Imaging Solutions shares mutual customers with AgencyWorks, so they were a natural fit into our platform.”

Agency Integrator is the cornerstone of the AgencyWorks line of products and is a comprehensive agency management solution providing a full range of tools necessary to run your agency. Consisting of integrated, modular components, the Agency Integrator provides complete agent management functionality, including illustration support, case management, supply and product management, commission accounting functionality, and standard reporting features.
